ACCREDITATION & IDENTIFICATION BADGES
All delegates and visitors coming to the Palais des Nations must first register with the organizing Secretariat via email (https://meet.un.org/)
CONFERENCE DELEGATES
On arriving for a conference, accredited delegates should visit the Security and Safety Service at the Pregny Gate to collect their identification badges. Delegates must present their national identification card or passport, as well as their confirmation paper. On the first day of a conference, delegates are encouraged to arrive early to allow sufficient time to complete these formalities.

PARKING AUTHORIZATIONS
Parking is not allowed for delegates, but only for staff members. However, parking authorizations are granted for delegates wishing to park on the premises and matching specific conditions. To this end, their permanent mission in Geneva should request authorization in advance to the Security and Safety Service.

SECURITY AT THE PALAIS DES NATIONS
For security reasons, the identification badge must be worn and visible to UNOG Security staff at all times while visiting UNOG.

UNITED NATIONS MUSEUM AT GENEVA
The exhibition, “100 Years of Multilateralism in Geneva”, presents unique documents from the UN archives, the UN system, and private collections. The exhibition explains the evolution of the multilateral system since the creation of the League of Nations to the work of the United Nations today. It outlines the contours of multilateralism and highlights the exceptional role that Geneva plays on the international level, while revealing some of the little-known aspects of multilateral diplomacy.
